\*\*\*\*\*W.S.§31-18-201(u) Any person legally engaged in the transportation of new vehicles over the highways of this state from manufacturing or assembly points to agents of manufactures or dealers in this state or in other states, territories or foreign countries or provinces by the drive away or tow away methods, where the vehicle being driven, towed on its own wheels, or transported by the saddlemount, towbar or full-mount methods, or a lawful combination of these methods, for the purpose of sale, barter or exchange, or for delivery after sale, may annually apply to the Department for a permit and a transporter number plate to use the highways of this state and pay a fee of three hundred dollars (\$300.00) for the permit and thirty dollars (\$30.00) for each transporter number plate. The transporter plate shall be displayed upon the front of the driven vehicle combination or upon the rear of a motor vehicle driven singly or upon the rear of a vehicle being towed. The permit shall be valid for the current year ending December 31. Vehicles may be transported as provided under this subsection while displaying the plate. Transporters who fail to display the plate will be required to obtain a single trip permit from the Department pursuant to subsection (s) of this section.
